### **FEBRUARY 2019**

Dear Friend,

*"Grace and peace to you from God our Father and the Lord Jesus Christ." 1 Corinthians 1:3*

Ancient letter writing followed a form that had become traditional in the ancient world. Just as letters in our era will have the individual and address on the envelope, and "*Dear So-and-so,*" at the beginning of the letter; there were certain parts of an ancient letter that people followed.

There was the "*To*" portion in which the person(s) was named to whom the letter was written. Then followed a type of blessing which served as the greeting, which is the above quoted verse. Then followed a thanksgiving section directed to the recipients of the letter. After the main body of the letter were greetings/messages to be passed on to other persons. Ancient letters were dictated, but the one writing the letter always wrote the last sentence or two in their own handwriting to authenticate the letter.

Paul wrote the letter of 1 Corinthians following the accepted form of letter writing used in the first century. So verse 3 is the blessing/greeting portion of the letter. Paul put a lot of thought and prayer into his letters that we have in the New Testament. Paul wishes the Grace and Peace of God to be with the recipients of the letter.

*"Grace"* – This is God's unconditional love given to each of us. It is the reason why Jesus went to the cross to die for sinners. Also, it is what God calls us to. *"Peace"* is more than the absence of war, in the Biblical accounts it is the presence of all that would make life full and complete. This is what God wants for you. This Grace and Peace comes to us from God our Father – God who loves us unconditionally and wants us in His family – and the Lord Jesus Christ, who is our Savior.

Paul wrote this verse to the Corinthians. But God wrote it through Paul to all of us.

Thank you.

*Randy Walworth*

### Nicaragua January 2019 Mission Trip

Our team felt God, the Holy Spirit with us from the initial planning of the trip to the return trip.

We arrived in Nicaragua on January 12. We made the two hour trip from the airport to El Ayudante with no problems. We were busy the rest of the day getting ready for Sunday.

1. Sunday to La Paz Centro with 150 at the church service. The present of Evangelical Methodist gave us a surprise visit with his family. Tears of joy from them that we came. After church mobile clinic set up and saw 88 patients. We passed out 20 water filters and 41 back packs. Needs are building a house for pastor and water filtration systems.
2. La Majada Mobile clinic saw 138 patients. 20 water filters given out and 38 back packs. Priority need is repairing and building on to the church.
3. Leadership conference for empower youth ages 10 to 18. 48 attended. It was amazing and Bobby Fleck, the Ringgold UMC youth pastor presented it. We celebrated Dr. Medinas' birthday as we always do. The mobile clinic was a Maranonal and saw 138 patients. Bill Copeland discovered the clinic did not have a seizure med that one patient needed. More about that at closing of note. Bill Copeland gave out 200 water filters to that community. Bill and Ringgold team spent the week in Maranonal.
4. Salinas Grande received 20 water filters and 50 back packs. The clinic saw 155 patients. We grieve with this community and mourn the death of many this past year due to kidney failure. Many that we gave filters to are already on dialysis. The pastor said 20 water filters is like spitting on a roaring fire. He said he has funerals on the average of every two to three weeks. This community is directly across from the salt flats. We are in the process of getting Danilo to check where their water source comes from and to get a sample to be tested.
5. Las Parceles. The youth from Empower on the second day of teaching related to leadership. 20 water filters and 27 backpacks were given – we ran out of back packs. We witnessed a woman we know well having a seizure as she was listening to the presentation of the water filter she was getting. The Nicaraguan perfect on her response for calm caring. The doctor showed us the woman's bag of meds with an empty bottle of the med she needs and a couple of seizure meds they were substituting that obviously were not working. The med they needed is not available in Nicaragua and the clinic gets it from Europe. There was a recent shortage temporary but nevertheless they could not get it. We felt the urgency of these patients needing to get back on the med. We were able to order the med here and sent to another NGO who is arriving in Nicaragua this Saturday. Dr. Medina and Danilo will be sure the three seizure patients will get a ninety day supply that will hopefully cover them until new shipments arrive.
6. Boqueron received 20 water filters and 40 string bags to replace the backpacks we ran out of. 143 patients were seen.
7. Total patients for the trip was 869 medical and 142 dental for a total of 1011 patients. Our goal is to return June 1.

### **Prayer to Love As Jesus Loved**

Heavenly Father, more and more I come to understand what the Lord Jesus meant when He said that He is one with the Father and prayed that His disciples, may be one. I see that love is a precious union of heart and a sweet communion of spirit...and just as the Father and Son emanate the same powerful love – so w too are to have that same beautiful love developing in us, by the power of the Spirit.

Lord, I pray that the body of Christ may become united as one, and abound in the unity of the spirit more and more, in love – not compromising truth but showing a genuine concern for one another. I pray that individually and collectively, we may live godly lives in Christ Jesus and seek to encourage and edify one another...seeing to be of the same mind and having the same godly love for each other.

I pray that we may be united in spirit and in purpose, and that we do nothing from selfishness or empty conceit...but rather with humility of mind regard the needs of the other as more important than our own. This I ask in the name of Jesus – Who died for us all. Amen.

## **A Way Forward/Special General Conference in February**

We have had a prayer effort for some months now for the Special General Conference that will be held in February 2019. It is on the church prayer list and the Koinonia Class has kept it on their prayer list as well.

In October I attended a meeting at Ooltewah United Methodist sponsored by the Holston Annual Conference which was led by two of their delegates to General Conference. They did a very good job of explaining what the proposals are that will come up in February.

In essence there will be three proposals presented to the Special General Conference to choose from. In these studies it has been found that most everyone has definite opinions & has strong feelings. United Methodists are divided on this topic. The proposals are focusing on how to maintain unity in the midst of all this. In short these do not force a different way of believing on a church.

ONE CHURCH PLAN – This proposal lets each individual church choose which way they believe. Each pastor will also choose how they believe. Traditionalist pastors will be sent to Traditionalist churches; for example.

TRADITIONALIST PLAN – This plan maintains our current stance (While we believe LGBT persons are of sacred worth to God we also believe that the practice of homosexuality is incompatible with the scriptures). This plan strengthens this stance.

CONNECTIONAL CONFERENCES PLAN – Within the United States this plan does away with having regional annual conferences such as North Georgia, Holston, South Georgia, etc. Instead there will be just three conferences in the USA. The Traditionalist Annual Conference will maintain the current denominational stance. The Progressive Annual Conference will allow same sex unions. The Centrist Annual Conference will allow their individual churches and pastors to decide for themselves as in the One Church Plan. All U.S. churches would each decide which conference they prefer to be in.

I thought the best way of getting the information to you at this time would be to offer some links below:

## **Devout, God-fearing, Gave Generously**

*"He and his family were devout and God-fearing; he gave generously to those in need and prayed to God regularly. One day at about three in the afternoon he had a vision. He distinctly saw an angel of God, who came to him and said, "Cornelius!" Cornelius stared at him in fear. "What is it Lord?" he asked. The angel answered, "Your prayers and gifts to the poor have come up as a memorial offering before God."*

*Acts 10:2-4*

In the Old Testament, the sacred gifts expressed in devotion to God - an aroma pleasing to the Lord. Generous and God-fearing people obey God by generously giving to those in need and ask to be in a daily relationship with God.

We need to be more aware of what we give - not only in money, but in our time and talents. Our attitude should be to trust and obey out of gratitude to God for the gift of Jesus Christ. The self-serving manner in which many of us in America live isn't glorifying to God. At our church, we need to refocus on what God would have us do rather than "buying" what our society is doing.

A practical application of this passage would be to allow our comfort zones to be pushed to the uncomfortable. Seek God through prayer and His Word. Ask yourself, what can I do to be more effective in our church community? Participate. Commit to more than just walking in and out of the church doors like a consumer does in the world. What is on this earth will pass away. What God has given us in Jesus is eternal.

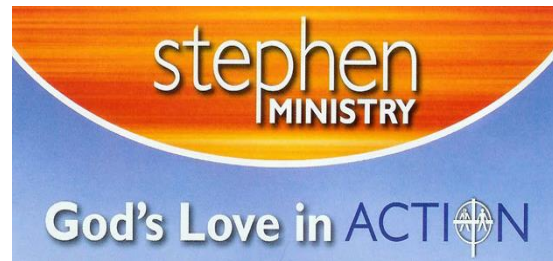

Being a generous people involves more than lip service; it involves action. Action motivated not by worldly standards, but by what we profess will last eternally - transferring our trust to Christ alone. And when we respond as Cornelius did, our gift too, will be a "memorial offering before God".

The January meeting was opened with a program entitled, *Sisterhood for Human Flourishing*, presented by Patty Bishop. The programs this year celebrates United Methodist Women's 150 years of women organized for mission. Each of the monthly programs looks back to our legacy and connects it to where we are today. We form a sisterhood of grace – a community of women organized for mission who foster the creative, supportive fellowship that is espoused in our Purpose.

Plans are being made to host a Bazaar to benefit artisans around the world as a help in fighting poverty. Also, an important date to remember is March 2 – 3 for the UMW's retreat at Hinton Rural Life Center.

Join us February 19, to learn more about these and other work in mission as a *Sisterhood of Grace*.
